Goodbye arms embargo, hello Two-State Solution.

I'm thankful for a president who gives credit to God: "...people have told me that God spared my life...", but...

(Trump Heights)

It's been one day since election night and already the evil **Two-State Solution** is back:

Trump official says rejected **2020 Israeli-Palestinian peace plan** will be back in play

"...settler allies, who are now part of his coalition, rejected the proposal due to its inclusion of a potential **Palestinian state**" (text).

"...path to a **two-state solution**..." (audio).

"...not one plan from the Biden administration on **peace between Israel and Palestine**" (audio).

Not good.

For when they are saying, “**Peace and safety**,” then sudden destruction will come on them, like birth pains on a pregnant woman. Then they will in no way escape. But you, brothers, aren’t in darkness, that the day should overtake you like a thief. (1 Thess. 5:3)

I will gather all nations, and will bring them down into the valley of Jehoshaphat; and I will **execute judgment** on them there for my people, and for my heritage, Israel, whom they have scattered among the nations. They have **divided my land** (Joel 3:2)

In case you were wondering, it's true, the end is near! Are you ready? Are you trusting in the Lamb of God sacrificed on the cross to save you from your sins, or relying on your own good works? We have all sinned and broken God's law. Don't delay in admitting your sin and giving your life to Jesus!

Temple Mount Prayer with Ben Gvir

[Nearly 3000](#) Jews ascended the Temple Mount to pray on Tisha B'Av!

I love national security minister Itamar Ben Gvir's resolve:

The policy of the Minister of National Security is to allow freedom of worship for Jews everywhere, including the Temple Mount

This was of course instantly condemned by [Saudi Arabia and Qatar](#), sadly [by the U.S.](#), and reliably [by the E.U. and U.N.](#) Unfortunately it was also condemned [by Netanyahu](#).

Image not found or type unknown

I am thankful for Netanyahu and his refusal to pull defeat from the jaws of victory over Hamas, even when the defense minister makes statements to the contrary:

Gallant is bound by '**absolute victory**,' too.

I emphasized that I am resolved to achieve the war aims and keep on **fighting until Hamas is dismantled** and the hostages returned.

But maybe there are some weaknesses shared with the Benjamite first King of Israel.

Netanyahu and Saul

Back in January, Benjamin Netanyahu was asked to name his favorite biblical character: "[King Saul](#). [He was tragic.](#)"

The origin of Benjamin Netanyahu's [father's surname](#) (Mileikowsky, before moving to Israel) may be uncertain, but first names have sometimes been used as a reminder of family origins. Benjamin Netanyahu's older brother was Jonathan, another Benjamite name. Whether or not the Netanyahu

family is from the Tribe of Benjamin, since at least 2015 (quote below) rabbis have made Benjamite comparisons to Bibi:

In the scroll of Esther, Mordechai is referred to as 'a man from Benjamin.' It is interesting to note that thousands of years ago, Mordechai stood up against a Persian leader (Haman) who wanted to annihilate the entire Jewish people.

Today, Bibi is taking a strong stand against Iran, modern day Persia, as he attempts to defend Israel and the entire Jewish people from atomic annihilation.

Fast forward to the present, Benjamin Netanyahu now opposes not only **Persia** but also **Hama[s], the agent of Persia!** (Haman... Herod... Hitler... Hamas?)

And what about Amalek? On October 28th, as Israel began their campaign against Hamas, Netanyahu quoted from [Deuteronomy 25:17](#):

'Remember what **Amalek** did to you'. We remember and we fight.

King Saul completed the destruction of most of Amalek, but failed in sparing their king, Agag:

And he took Agag the king of Amalek alive, and utterly destroyed all the people with the edge of the sword. And Saul and the people spared Agag, and the best of the sheep and oxen

(1 Sam. 15:8-9)

Who was a descendant of **Agag**? **None other than Haman!** (Hamas?)

Interestingly, another rabbi considers Netanyahu a modern Jonathan (son of Saul) who fights Amalek before Messiah appears:

Just as Jonathan fought the Amalekites before David, in the end-of-days it will be the function of Moshiach ben Yosef, or the reincarnation of Jonathan, to battle

The article by Rabbi Elie Mischel (linked earlier) compares modern mistakes to kings Saul's mistakes:

Saul's Failure and Bibi's Decision: The Future of Gaza

By: Rabbi Elie Mischel JANUARY 25, 2024

...a leader of Israel who rejects the word of God in favor of his own ideas is destined to suffer the fate of Saul.

...the Bible is clear. Israel **must resettle the Gaza Strip**, for it is part of God's promised land as delineated in the Book of Joshua: "...Gaza with her towns and her villages, to the river of Egypt" (Joshua 15:47). In 2005, the Israeli government **ignored God's command, arrogantly uprooting all of the Jewish settlements in Gaza**. The result – 18 years of non-stop terrorism and rocket attacks, followed by the horrific slaughter of October 7 – was disastrous. Will Israel make the **same mistake** again today?

Saul became Paul!

Isn't it interesting that Saul of Tarsus, later known as the Apostle Paul, was also a Benjamite? And who was he before receiving a new heart, [a heart of flesh](#), following the Messiah's appearing in the sky? He was an orthodox Jew who saw Jesus' appearance while on the way into a conflict zone in Damascus, Syria?!?! Then another 3 (maybe 3.5?) days of darkness passed before the scales fully fell from his eyes! Isn't that interesting!

"I am indeed a Jew, born in Tarsus of Cilicia, but brought up in this city at the feet of **Gamaliel**, instructed according to the **strict tradition of the law of our fathers, being zealous for God, even as you all are today**. I persecuted this Way to the death, binding and delivering into prisons both men and women, as also the high priest and all the council of the elders testify, from whom also I

received letters to the brothers, and traveled to **Damascus** to bring them also who were there to Jerusalem in bonds to be punished. “As I made my journey and came close to **Damascus**, about noon suddenly **a great light shone around me from the sky**. I fell to the ground and heard a voice saying to me, ‘Saul, Saul, why are you persecuting me?’ I answered, ‘Who are you, Lord?’ He said to me, ‘**I am Jesus of Nazareth**, whom you persecute.’

(Acts 22:3-6)

Behold, **Damascus** is taken away from being a city, and it will be a ruinous heap. The cities of Aroer are forsaken. They will be for flocks, which shall lie down, and no one shall make them afraid. The fortress shall cease from Ephraim, and the kingdom from **Damascus**, and the **remnant of Syria. They will be as the glory of the children of Israel,**” says Yahweh of Armies. “It will happen in that day that the glory of **Jacob will be made thin**, and the fatness of his flesh will become lean. It will be like when the harvester gathers the wheat, and his arm reaps the grain. Yes, it will be like when one gleans grain in the valley of Rephaim. Yet gleanings will be left there, like the shaking of an olive tree, two or three olives in the top of the uppermost bough, four or five in the outermost branches of a fruitful tree,” says **Yahweh, the God of Israel**. In that day, **people will look to their Maker**, and their **eyes will have respect for the Holy One of Israel**.

(Isaiah 17:1-7)

After Saul, David!

So many prophetic events are lining up in the Middle East and the world, just as Jesus said they would at the time of the end.

Netanyahu could easily be the last prime minister of Israel before Jesus comes back, and with Jesus, David again will rule Israel!

In that day I will raise up the tent of David who is fallen and close up its breaches, and I will raise up its ruins, and I will build it as in the days of old, that they may possess the remnant of Edom and all the nations who are called by my name," says Yahweh who does this.

(Amos 9:11-12)

I will set up one shepherd over them, and he will feed them, even my servant David. He will feed them, and he will be their shepherd. I, Yahweh, will be their God, and my servant David prince among them. I, Yahweh, have spoken it.

(Ez. 34:23-24)

1 But in the latter days,
it will happen that the mountain of Yahweh's temple will be established on the top of the mountains,
and it will be exalted above the hills;
and peoples will stream to it.
2 Many nations will go and say,
"Come! Let's go up to the mountain of Yahweh,
and to the house of the God of Jacob;
and he will teach us of his ways,
and we will walk in his paths."
For the law will go out of Zion,
and Yahweh's word from Jerusalem;
3 and he will judge between many peoples,
and will decide concerning strong nations afar off.
They will beat their swords into plowshares,
and their spears into pruning hooks.
Nation will not lift up sword against nation,
neither will they learn war any more.

4 But every man will sit under his vine and under his fig tree.
No one will make them afraid,
for the mouth of Yahweh of Armies has spoken. 5 Indeed all the nations may
walk in the name of their gods,
but we will walk in the name of Yahweh our God forever and ever.

(Micah 4:1-5)

Adar II

With the month of Adar II ([what's Adar II?](#)) here and [\[Small\] Purim](#) just around the corner, the definition of **unwalled city** is apparently under deliberation in Israel...

Rabbi Yosef ruled that Gaza is just another gentile city in our time – as-in they are currently without any permanent Jewish communities, so the **soldiers will celebrate the holiday as if they were in an unwalled city**

Magog Connection

The otherwise dry discussion brings to mind an obscure but consequential reference to **unwalled villiages** (H6519):

Ezekiel 38:11

You will say, 'I will go up against a land of **unwalled villages**; I will go to a peaceful people, who dwell safely, all of them dwelling without walls, and having neither bars nor gates'

Russian Colonel-General Vladimir Zarudnitsky has been quoted saying:

Ezekiel 38:4

Bonus Material

Do I expect the Magog invasion on Purim, following a [Hezbollah deadline](#), and [during Ramadan](#), ending with the [Great American Eclipse](#)? It is possible, and I believe the Lord's Appearing and the Rapture will happen first. But next year could be unique...

2024 is not a leap year, and Small Purim is celebrated in Adar II instead of Adar I. Next year (2025) will not only be a leap year, but a **three-fold Purim** because it occurs on a Sabbath. This won't happen again until 2045.

Purim Meshulash, or the **three-fold Purim**, is a somewhat **rare calendric occurrence** . . . celebrated over a period of three days.

Temple Mount, Ground Zero

Just in case you're uncertain whether [the red heifers in Israel](#) are **significant**, read on...

Image not found or type unknown

As reported by [Jordanian Al Bawaba](#) and [Palestine Chronicle](#) (Jan 14), as well as [Isreal365News](#) (Jan 17) and [JewishPress](#) (Jan 26), the **Hamas military spokesman** has connected the October 7 attack to the **import of the red heifers** into Israel:

...the arrival of **five red heifers** from Texas to Israel ten months ago, **strategically placed in a secret farm** near Beit She'an...

The focal point is the Temple Mount and the coming [Third Temple](#), requiring red heifers for cleansing. Preparation for the Third Temple requires all Muslim structures to be cleared.

...when Ali writes "**Al-Aqsa Mosque**" he is not referring to the silver-domed structure at the end of the Temple Mount compound (the name literally means

“at the end”), but **the entire Temple Mount compound**.

In the week prior to October 7th, as part of the feast of Sukkot, Jews rightfully and peacefully displayed control of the Temple Mount around and under the encroaching structures. In response, our spiritual enemy unleashed a flood, an **Al-Aqsa Flood**, to commit the **horrific & satanic massacre**.

Sukkot (Hebrew: תּוֹשָׁבִים or תּוֹשָׁבִים, sukkōt, or sukkos, **Feast of Booths, Feast of Tabernacles**) is a Biblical holiday celebrated on the 15th day of the month of Tishrei (late September to late October). It is one of the three biblically mandated festivals Shalosh regalim on which **Jews were commanded to make a pilgrimage to the Temple** in Jerusalem.

Times of Israel blogger Rachel Sharansky Danziger writes about the weariness is Israel, as they endure the present strife and long for their salvation to appear like an almond blossom:

The almond trees bloom and I'm thinking of salvation

I trust redemption will come, but I'm impatient: I want it to arrive as swiftly as the first blossoms and with the force of the parting sea

In Jeremiah, the Lord uses an Almond blossom's sudden opening to illustrate the way His Word will be fulfilled.

The almond tree is associated with one of the earliest prophecies of a young Jeremiah. "Moreover the word of the Lord came to me, saying, 'Jeremiah, what do you see?' And I said, 'I see **a branch of an almond tree.**' Then the Lord said to me, 'You have seen well, for I am watching to perform My word.'" (Jeremiah 1:11-12)

This prophecy uses a play on words that carries a vital truth for Israel as well as for us. The Hebrew word for almond, *shaked*, is also translated "to watch". By seeing the almond branch, God assured Jeremiah that He is watching over His word to bring it to pass, no matter the passage of time.

Things are starting to wake up! Another *Times of Israel* blogger writes:

Israel's birth in 1948 to maturity 75 years later in 2023 outlines a generation, defined as between 70 and 80 years (Psalm 90:10), which denotes the period of the **last generation before the Messiah comes!**

So Israel, be encouraged. Take back the land that God gave to your forefathers. Regain control of Gaza, annex the West Bank, and **secure the Temple Mount** so you can **build the third Temple** to be a house of prayer for all nations, and fulfill your destiny to be a light unto the nations (Isaiah 42:6).

In [Friday's War Cabinet meeting](#), the [good-guy ministers](#) got heated with Gantz and Halevi, and for good reason.

The idea of appointing Mofaz is maddening: as defense minister he eliminated every facet of Israeli presence in the Gaza Strip, exiling some 8,000 Jewish settlers and removing the IDF from key control points, thus laying the groundwork for the Hamas takeover three years later.

Incredibly, the meeting was cut short, with the following from Netanyahu:

As we enter the window of the **margin of error** at the **span of 2000** years since Jesus ascended, there are countless similarities between the present and end times predicted in Bible prophecy. In fact, it is likely that we are **the fig tree generation**.

Some of the most specific and ominous descriptions about end times are in the book of Revelation. Of those, one of the most *iconic* and historically confusing is a prophecy concerning the Image of the Beast. But now enter the modern world, in which the concept of AI "chatbots" impersonating humans is commonplace (**as I've written about previously**).

Revelation 13:15

He was granted power to [give breath](#) to the [image](#) of the beast, that the [image](#) of the beast should both speak and cause as many as would not worship the [image](#) of the beast to be killed.

Donald, Bibi, Joe, & Santa

Several days ago I saw a startling [newsletter](#) from [Gab.com](#) that demonstrates the crisis we're in. The same theology also stunts his understanding of spiritual warfare and the ways our enemy works in this world.

Gab has now unveiled a series of "chatbots" which can impersonate real-life people. These artificial personas include Donald Trump, Benjamin Netanyahu, Joe Biden, and Santa Claus. But where can you draw the line between fact and fiction?

It's ironic, if not revealing, that Santa Claus and other fictitious characters would be listed right along side purportedly real people. The truth is, it's all a **fake substitute** for reality. Just like the Antichrist will be.

Shall Shoot Forth Your Branches

Just before the October 7 attack, during the feast of Sukkot, a Levitical choir sang Psalm 27. Take a minute to listen to those seeking the presence and coming of One they do not know yet.

Read these words of Psalm 27 and listen as one living in the shadow of a world that hates you. Do you long to live forever in the dwelling of the Messiah?

A Psalm of David.

1 The LORD *is* my light and my salvation;
Whom shall I fear?

The LORD *is* the strength of my life;
Of whom shall I be afraid?

2 When the wicked came against me
To eat up my flesh,
My enemies and foes,
They stumbled and fell.

3 Though an army may encamp against me,
My heart shall not fear;
Though war may rise against me,
In this I *will be* confident.

**4 One *thing* I have desired of the LORD,
That will I seek:**

That I may dwell in the house of the LORD

All the days of my life,
To behold the beauty of the LORD,
And to inquire in His temple.

5 For in the time of trouble
He shall hide me in His pavilion;
In the secret place of His tabernacle
He shall hide me;
He shall set me high upon a rock.

6 And now my head shall be lifted up above my enemies all around me;

Therefore I will offer sacrifices of joy in His tabernacle;
I will sing, yes, I will sing praises to the LORD.

7 Hear, O LORD, *when* I cry with my voice!
Have mercy also upon me, and answer me.

8 *When You said, "Seek My face,"*
My heart said to You, "Your face, LORD, I will seek."

9 Do not hide Your face from me;
Do not turn Your servant away in anger;
You have been my help;
Do not leave me nor forsake me,
O God of my salvation.

10 When my father and my mother forsake me,
Then the LORD will take care of me.

11 Teach me Your way, O LORD,
And lead me in a smooth path, because of my enemies.

12 Do not deliver me to the will of my adversaries;
For false witnesses have risen against me,
And such as breathe out violence.

13 *I would have lost heart,* unless I had believed
That I would see the goodness of the LORD
In the land of the living.

14 Wait on the LORD;
Be of good courage,
And He shall strengthen your heart;
Wait, I say, on the LORD!

The plans for the Third Temple are ready:

Already, the hearts of the Jewish people are beginning to wake up to Yeshua as their Messiah:

<https://www.youtube.com/embed/GFeKa9F97Jl?si=PzoOBHAoHipCv2sc>

7 Therefore thus says the Lord GOD: "I have raised My hand in an oath that surely the nations that *are* around you shall bear their own shame. 8 But you, O mountains of Israel, **you shall shoot forth your branches** and yield your fruit to My people Israel, for they are about to come. 9 For indeed I *am* for you, and I will turn to you, and you shall be tilled and sown. 10 I will multiply men upon you, all the house of Israel, all of it; and the cities shall be inhabited and the ruins rebuilt. 11 I will multiply upon you man and beast; and they shall increase and bear young; I will make you inhabited as in former times, and do better *for you* than at your beginnings. **Then you shall know that I *am* the LORD.**

The secret is out! Rabbis have long known about the Messiah son of Joseph:

For Those Left Behind

Watching in the Night

Image not found or type unknown

With each of our kids, my wife has experienced [Braxton-Hicks](#) or [false labor contractions](#) in pregnancy. These contractions increase gradually, but inconsistently, in that **season of end-times expectancy**, near **40 weeks** of days. The truth is, it's hard to distinguish *false labor* from *labor* until the baby begins to appear. If you haven't had kids, this won't make sense. The uncertainty of labor was especially apparent in our fourth. We suspected Braxton-Hicks until the end, where we found out *false labor* had been *final labor*!

Even when you see it coming, it's an unanticipated instant in time when it comes. It was an unanticipated instant when Joseph had to find shelter for Mary, although they had seen it coming for some time.

[Luke 2:7](#)

And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

Similar to His First Coming, Jesus has revealed that His Second Coming will be preceded by [labor or travail](#) on a global scale.

[Matthew 24:8](#)

All these are the beginning of **sorrows** [[travail](#)].

[1 Thessalonians 5:3](#)

For when they say, "Peace and safety [[security](#)]!" then sudden destruction comes upon them, **as labor pains upon a pregnant woman**. And they shall not escape.

Like it was at His first appearing, the instant of His second appearing will be proclaimed by an angel.

[Luke 2:8-10](#)

Now there were in the same country shepherds living out in the fields, **keeping watch** over their flock **by night**. And behold, an **angel of the Lord** stood before them, and the glory of the Lord shone around them, and they were greatly afraid. Then the angel said to them, "Do not be afraid, for behold, I bring you good tidings of great joy which will be to all people."

[1 Thessalonians 4:16](#)

For the Lord Himself will descend from heaven with a shout, with the **voice of an archangel**, and with the trumpet of God. And the dead in Christ will rise first.

Not in Darkness

Is the dark **night** in this world about to dawn into **the Day** of the Lord? Like shepherds on the night Jesus was born, if we are awake and do not sleep, keeping watch in the night, we will not walk in darkness and the Day of His coming will not be as a thief.

John 9:4

I must work the works of Him who sent Me while it is day; **the night** is coming when no one can work.

1 Thessalonians 5:4-6

But you, brethren, are **not in darkness**, so that **this Day should overtake you as a thief**. You are all sons of light and sons of the day. We are not of **the night** nor of darkness. Therefore let us **not sleep**, as others do, but **let us watch** and be sober.

Isaiah 9:2

The people who **walked in darkness**
Have seen a great **light**;
Those who dwelt in the land of the shadow of death,
Upon them a **light** has shined.

2 Timothy 4:8

Finally, there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will give to me **on that Day**, and not to me only but also to **all who have loved His appearing**.

Matthew 25:6

And at **midnight** a cry was heard: 'Behold, **the bridegroom is coming**; go out to meet him!'

Image not found or type unknown

But to those not watching and not longing for His appearing, He will come as a thief.

Revelation 3:3

Remember therefore how you have received and heard; hold fast and repent. Therefore ***if you will not watch, I will come upon you as a thief***, and you will not know what hour I will come upon you.

40 Weeks

In pregnancy, signs of labor increase as **40 weeks** of days approach, and then the child appears. In the timeline of history (*or His-Story*), we are approaching **40 weeks** of seven years, or Sabbatical **50th year Jubilees**, since the **Sabbatical Year** when Jesus was crucified, rose again, and **ascended into Heaven**. All around us are **signs of labor**.

$$40 * (7 * 7 + 1) = 40 * 50 = 2000$$

If Jesus ascended in 30 AD, we are nearing 7 years from the end of 40 Sabbatical weeks.

No Peace & No Security

As a sign of labor leading to His coming, people will be talking about "**peace and security**". Recent and future worldwide (*should I say world government?*) conferences have focused on **peace** and

security. But instead of global peace and security, **sudden destruction** will come.

New Agenda for Peace (July 2023)

Volcanoes & Earthquakes

Other **signs of labor** include cataclysmic events like volcanoes and earthquakes. These also are happening.

The most **dangerous volcanic threat** in Italy right now is one you've probably never heard of: Campi Flegrei, or the Phlegraean Fields.

A new mass of land was recently formed off the shores of Japan after an **explosive underwater volcano** activated

Thousands of earthquakes have struck Iceland this week as researchers found evidence that magma is rising to the ground surface, prompting fears that a **volcanic explosion could occur any time**

Watch

To steal a profound observation from one of JD Farag's recent [prophecy updates](#), when you're expecting, *you're **expecting!***

[Mark 13:35-37](#)

“**Watch** therefore, for you do not know when the master of the house is **coming**—in the evening, at midnight, at the crowing of the rooster, or in the morning—**lest, coming suddenly, he find you sleeping**. And what I say to you, I say to all: **Watch!**”

[Revelation 3:10](#)

Because you have kept My command to persevere, I also will keep you from the **hour of trial** which shall come upon **the whole world**, to test those who dwell **on the earth**. Behold, I am coming quickly! Hold fast what you have, that no one may take your crown.

The catastrophic climate change will come, but it's not what they think. Global government with its false peace and security will not be able to stop God's judgement. Only the Prince of Peace will create Peace on Earth's 7th Day.

[Isaiah 9:6](#)

For unto us **a Child is born**,
Unto us **a Son is given**;
And the government will be upon His shoulder.
And His name will be called
Wonderful, Counselor, Mighty God,
Everlasting Father, **Prince of Peace**.

Are you ready? Are you trusting in His sacrifice on the cross to save you from your sins, or relying on your own good works? We have all sinned and broken God's law. Don't delay in admitting your sin and giving your life to Jesus!

Sensitive **Magog** Coordination

Image not found or type unknown

It's often possible to judge importance by the measures taken to secure it. Reliance on human couriers and remote rendezvous' indicate high-stakes communication where the risk of interception by a near-peer or superior adversary is such a grave threat that it cannot be mitigated by the strongest available encryption. When Russia and Iran take these precautions, near-peer or superior entities are Israel, NATO allies, and China. You can assume it's not China.

In addition to precautions to hide private communication, preference toward public communication can also provide clues. When you hear aggressive or vocal rhetoric, it's [*probably*] safe to assume it's just rhetoric. Like the noise about using nuclear weapons in Ukraine. On the other hand, when parties abruptly go silent, there [*may*] be more reason to be concerned.

Well... *it's happening*. No, not Russia utilizing nukes against Ukraine/NATO or vise-versa, something different. There has been an ominous increase of in-person meetings between Russia, Iran, Turkey, and a few allies and proxies.

Amalek 240

It's ironic, if not symbolic, that **240**, the number of hostages taken by Hamas on October 7, is also the number of the name **Amalek**. Still ironies continue: the phonetic pronunciation for the Hebrew word meaning violence or cruelty is **hāmās**. There were about **240,000** Israelis displaced, following the attack.

The October 7th attack was a repeat of what Amalek has done to Israel throughout history. But, likely we are just now witness to the **LAST OCCURRENCE** of an attack by Amalek, leading to the **Day of the Lord**, mentioned in a [previous Alternate OSINT article](#).

The LORD their God will intervene

Zephaniah 2:4-7

For **Gaza** shall be **forsaken**, and **Ashkelon desolate**; they shall **drive out Ashdod** at noonday, and **Ekron shall be uprooted**. Woe to the inhabitants of the seacoast, the **nation of the Cherethites**! The word of the LORD is against you, O Canaan, **land of the Philistines**: "I will destroy you; so there shall be no inhabitant." The seacoast shall be pastures, with shelters for shepherds and folds for flocks. The coast shall be for the **remnant of the house of Judah**; they shall feed their flocks there; in the houses of Ashkelon they shall lie down at evening. For **the LORD their God** will intervene for them, and **return their captives**.

It's the Lord **their God** Who intervenes! He will return their **captives** (or **hostages**). And if He is **their God**, the [dry bones are coming to life](#)! Already there are stories of God working in [amazing and supernatural ways](#) among Israelis. The end is almost in sight!

Dwelling in the clefts of the rock

Obadiah 1:1-3

The vision of Obadiah. Thus says the Lord GOD concerning **Edom** (We have heard a report from the LORD, and a messenger has been sent **among the nations**, saying, “arise, and let us **rise up** against her for battle”): “behold, I will make you **small among the nations**; you shall be **greatly despised**. The pride of your heart has deceived you, **you who dwell in the clefts of the rock**, whose habitation is high; you who say in your heart, ‘who will bring me down to the ground?’

The "clefts of the rock" may be a reference to [Petra](#), but it's also **very ironic**, given the **tunneling strategy** employed by Hamas...

Hamas built 500 km worth of tunnels under two million civilians thinking it would give them protection. But when Israel opened the door for that human shield to escape, at least half were able to take advantage of it. Now the tunnels are exposed, and there are a mass of people who are without homes because of their own leadership. Never before has Hamas been hated so much by their own people

- Amir Tsarfati

Your confederacy

It's just as the Bible says; the Muslim **confederacy** forced them to the **border** with Israel...

Obadiah 1:7

All the men in **your confederacy** shall **force you to the border**; the men at peace with you shall deceive you and prevail against you. **Those who eat your bread shall lay a trap for you**. No one is aware of it.

...and double-crossed them.

Hezbollah, Iran, and the Houthis sold out Hamas.

There was a plan **devised in Tehran for Hamas**, Hezbollah, and other Iranian proxy militias like the Houthis of Yemen to carry out a coordinated attack on Israel. Wanting the glory for themselves, Hamas ignored the others and launched the attack on their own. Their thinking was that everyone else would jump in when they saw their success. They even named the attack “al-Aqsa Storm” figuring that **all of Islam would run to their aid. They were wrong.** What they failed to take into consideration is that Iran and the Arab world hate them. The last thing any of them are going to do is to risk their own lives by running to Hamas’s aid after they launch an attack prematurely and half-cocked.

- Amir Tsarfati

The end is near!

This was prophesied to occur just before the time of the end: **the day of the Lord upon all the nations is near!**

Obadiah 1:10-21

“For violence [**hāmās**] against your brother Jacob, shame shall cover you, and you shall be cut off forever. **You should not** have entered the gate of My people in the day of their calamity. Indeed, you should not have gazed on their affliction in the day of their calamity, nor laid hands on their substance in the day of their calamity. You should not have stood at the crossroads to cut off those among them **who escaped**; nor should you have delivered up those among them who remained in the day of distress. “For the **day of the LORD upon all the nations is near**; as you have done, it shall be done to you; your reprisal shall return upon your own head. For as you drank on My holy mountain, so shall all the nations drink continually; yes, they shall drink, and swallow, and they shall be as though they had never been. “But on **Mount Zion** there shall be **deliverance**, and there shall be **holiness**; the house of Jacob shall possess their possessions. The house of Jacob shall be a fire, and the house of Joseph a flame; but the house of Esau shall be stubble; they shall kindle them and devour them, and **no survivor** shall remain of the house of Esau,” for the LORD has spoken. The South shall possess the **mountains of Esau**, and the Lowland shall possess **Philistia**. They shall possess the fields of Ephraim and the fields of Samaria.

Benjamin shall possess Gilead. And the captives of this host of the children of Israel shall possess the land of the Canaanites as far as Zarephath. The captives of Jerusalem who are in Sepharad shall possess the **cities of the South**. Then saviors shall come to Mount Zion **to judge** the mountains of Esau, and **the kingdom shall be the LORD's**.

MRBM Launched & Intercepted

The conflict escalated to a new level today. [Yemen just launched](#) a Medium Range Ballistic Missile (MRBM) against Israel, requiring the **FIRST OPERATIONAL USAGE** of the Israeli [Arrow 3](#) interceptor system.

Israel on Tuesday said it used its Arrow ballistic missile defense system for the **first time** during this war, **intercepting a medium-range ballistic missile (MRBM)** launched from the “Red Sea region.”

Image not found or type unknown

It was Israel's **first-ever operational use of the Arrow system** for intercepting ballistic missiles since the war began.

Image not found or type unknown

Israel's Iron Dome interceptor system is in constant use against short-range missiles. The Arrow 3 system is required to intercept an MRBM following a trajectory outside the atmosphere, similar to an ICBM.

Image not found or type unknown

Image not found or type unknown

The MRBM missile may have been a version of the Burkan-3, which has an approximate payload capacity of 250kg. Based on the chart below, a reasonable guess for damage radius from a conventional warhead might be about 0.5km, assuming an inverse-cubic decrease in damage radius proportional to a linear decrease in payload mass. The downtown area of Tel-Aviv has an approximate radius of 2km, so a direct hit in the center of Tel-Aviv by a Burkan-3 missile would cause horrific devastation. Whether or not the Iran-backed Houthis assumed it would actually hit anything, a new red line has just been crossed in the level of warfare they are willing to risk.

Image not found or type unknown

Israel felt compelled for the **first time** to utilize their supply of Arrow interceptors, reserved for the most grave threats to national existence. This is equivalent to the United States activating Patriot interceptors, which are reserved as a deterrent against Intercontinental Ballistic Missile (ICBM) threats.

Imagine if this missile had been carrying an Iranian nuclear device. Since the Burkan series is based on the Scud-3 design, it may be compatible with the [Soviet design for 5-80 kiloton](#) thermonuclear warheads.

If [Iran is testing Israeli missile defenses](#) by proxy, then successful intercept demonstrations, like seen today, may cause Iran to give up on missile attacks and attempt to draw in a Russian and Turkish air assault on Israel -- The [Magog Invasion of Ezekiel 38 & 39](#).

“And it will come to pass at the same time, **when Gog comes against the land of Israel,**” says the Lord GOD, **“that My fury will show in My face.** For in My jealousy and in the fire of My wrath I have spoken: ‘Surely **in that day there shall be a great earthquake in the land of Israel,** ‘so that the fish of the sea, the birds of the heavens, the beasts of the field, all creeping things that creep on the earth, and all men who are on the face of the earth shall shake at My presence. The mountains shall be thrown down, the steep places shall fall, and every wall shall fall to the ground.’ “**I will call for a sword against Gog**

throughout all My mountains,” says the Lord GOD. “Every man’s sword will be against his brother. And **I will bring him to judgment** with pestilence and bloodshed; I will rain down on him, on his troops, and on the many peoples who are with him, flooding rain, great hailstones, fire, and brimstone. Thus I will magnify Myself and sanctify Myself, and I will be known in the eyes of many nations. **Then they shall know that I am the LORD.**” ’

NWO Reps Dispatched to Israel

Just as the Bible foretells, the attention of the **New World Order** is on **Israel**.

The burden of the word of the LORD against Israel. Thus says the LORD, who stretches out the heavens, lays the foundation of the earth, and forms the spirit of man within him: behold, **I will make Jerusalem a cup of drunkenness to all the surrounding peoples**, when they lay siege against Judah and Jerusalem. And it shall happen in that day that **I will make Jerusalem a very heavy stone for all peoples**; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it. In that day," says the LORD, "I will strike every horse with confusion, and its rider with madness; I will open My eyes on the house of Judah, and will strike every horse of the peoples with blindness.

U.S. Blocking Gaza Offensive?

The U.S. is [requiring Israel](#) to produce an *exit plan* before an *entrance* has been made.

When has the U.S. devised a good *exit plan*?

According to a high-ranking Israel Defense Forces (IDF) commander, **U.S. weapons left in Afghanistan after Biden's disastrous withdrawal** have ended up in the hands of Palestinian groups active **in the Gaza Strip**.

Image not found or type unknown

US President Joe Biden's administration has **privately** been **pressing Israel** in recent days to flesh out its strategy for **the day after** it completes its stated war goal of toppling Hamas, a US official and an Israeli official told The Times of Israel

on Monday.

Prime Minister Benjamin Netanyahu and his inner circle have indicated to their American counterparts that Israel has not yet come up with such a strategy and is more **focused** on the **immediate goal** of **removing Hamas from power** in Gaza, the US official said.

Malicious Opposition?

Publicly the U.S. supports Israel, but is it privately blocking and delaying?

Image not found or type unknown

Pressed for evidence that the **delay** and any **further delay** of an invasion of Gaza was not connected to **Biden's visit**, Hagari gave none and simply stuck with the standard line that the IDF determines its own military plans.

In contrast to Hagari's statement, there are **voluminous times in history past and more recent, where Israel's government allowed US pressure to deeply influence military plans.**

Covert Cover?

It's possible Israel has determined a ground offensive in Gaza is not necessary. A ground offensive could have been an excuse to evacuate civilians from Gaza City, enabling [broader airstrikes against Hamas](#). The U.S. dragging its feet might be a cover story, allowing [war-fighting flexibility against Hezbollah](#) and their backers to the north.

Image not found or type unknown

The Israel Defense Forces says it is carrying out new airstrikes against sites belonging to the Hezbollah terror group in southern Lebanon

There might be something bigger.

Did U.S. and G7 globalist powers secretly **enable** the Hamas attack on Israel with the intention of **drawing Russia** and **Iran** into a conflict with Israel, for **economic** reasons? It sounds insane, but it may not be far from the truth. This possible scenario has surprising resemblance to prophecy about the [Magog Invasion](#) in Ezekiel [38](#) & [39](#).

Image not found or type unknown

While I don't agree with every statement, some points made in [this interview](#) may be correct:

“They [western leaders] **needed this war**. They knew this was coming and they allowed it to happen. The **same thing with 911**... They believe that **Russia is involved with Syria, Iran, and even Hamas**. They’re saying some of the most intelligent, sophisticated equipment actually **came from Russia**.” Per his sources, the number of weapons that President Joe Biden left behind in Afghanistan could fund the entire war. He also linked these (Afghanistan and Israel conflicts) with the ongoing chaos in Ukraine. “It was the U.S. that **instigated Kyiv to attack Donbas** back in 2014. The very people, who were caught in Syria gassing Syrians and blame it on their President Bashar al-Assad, have been involved in Ukraine. This has been about **creating war**,” he explained.

In case the reference to 9/11 caught you off guard, it's not conspiracy theory, it's the truth. Jetliners alone were not responsible for 9/11. Someone chose the moment the buildings would collapse, either pre-programmed or in real time. Yes, it was a shock to me too and I felt physically sick, when I first read this [strong evidence](#) and its implications sank in. So much in our world has been founded on lies about 9/11.

Israel & Friends/Foes

Pray for the peace of Israel

First of all, pray for Israel and that the Lord would comfort the hurting and draw hearts to know Jesus as their Messiah.

Next, and less importantly, some analysis:

- **U.S. and Russia both test emergency alert systems 3 days before Hamas attacks Israel**
 - There is a surprising amount of intel coordination between Russia and NATO
 - Remember those **fake air-raid sirens**, and how we **notified Russia**, to be sure they wouldn't take out Biden while he was visiting?
 - **Israel left in the dark... Thanks friend!**
- **U.S. frees up \$6 Billion to Iran days before attack**

 - *On the other hand:* U.S. Gov public briefing claims **Iran was not involved**
 - *Sure:* "Honest, they haven't spent a penny!" (No close ties between officials either!)
- **U.S., E.U., and G7 nations surprisingly declare public support for Israel**

- Then E.U. backtracks...
- **Hamis possibly used US weapons from Ukraine in Israel attacks**
- Hamas thanks Ukraine for selling them weapons

◦ *How do we know this is true?* Because it was fact checked by a Facebook Third-Party Fact-Checking Partner and Member of the #CoronavirusFacts Alliance, and then was immediately blamed on Russia

Some background

Our spiritual enemy wants to destroy the Jewish people, in a ridiculous attempt to thwart the plan of God. From **Haman** to Hitler, there have been attempts to "play both sides" of conflicts and squash the Jews in the middle. That playbook will continue right into the Great Tribulation. The Antichrist will strengthen a peace covenant with Israel and allow them to build the Third Temple, all the while plotting to desecrate the Temple and in a final (failed) conflict, destroy Israel with the use of all military power on earth (the battle of Armageddon). Ultimately it's **against God**, by **touching the apple of His eye**, but He will **quickly bring it to an end**.

Between now and then, some geopolitical movements can be inferred:

- **Russia** will be drawn into a position of leading a coalition (including **Iran** and **Turkey**) **against Israel**.
- **Europe** and the **G7 nations** (modern Roman empire) will be the **core** of the Antichrist's government.
- **Israel** will be key in **enabling** the Antichrist's rise to power and will receive peace and the Third Temple in return.
- The Antichrist will appear **messianic** to Israel, while plotting Israel's **destruction**.

Serious questions

- What is the **real motive** behind this sudden panicked rush to move top U.S. military forces toward Israel?
 - Can we suddenly **trust** Biden to be a **true friend** to Israel? Sounds like they're **trying too hard**...
 - Are U.S. forces in the region to protect Israel or to **keep Israel from feeling threatened by Iran** and initiating a first-strike? In other words, is the U.S. protecting **Israel or Iran**?
- Is the World Government (i.e. U.N., E.U., NATO, G7) **really** siding with Israel or is there an **ulterior motive**?

- The U.S. says it backs Israel but gives **Billions to Iran**. Russia says it has a special relationship with Israel but they are allied with Iran and Russia is Iran's largest buyer of military equipment.
- Is the Ukraine conflict really about **reducing** Russian global power or about **coercing** a Russian-lead attack on Israel?
- Is a World Government emerging, with one hand **supporting Israel**, and with the other, aiding **Israel's destruction**?

What do you think?

It would not be the first time the father of lies has "played both sides" to eliminate the Jews (but **it may be close to his last**).

ID Day

Image not found or type unknown

A digital ID for every person on the planet is part of the [U.N. Agenda 2030](#). One way this is being promoted is through an annual [Identity Day](#) (16 September), which has been celebrated since 2018 by many developing nations.

Image not found or type unknown

As has been the case **each year** since 2018, this year's **ID Day** will be observed on Saturday **September 16**, and **many countries** and civil society organizations have expressed their willingness to take part in the event.

The main driver for digital ID globally is the aspiration to account for every person in line with the sustainable development goals (SDGs). An indicator for

SDG 16.9 is to **issue a legal identity to every person by 2030.**

Each U.N. Charter member nation is pursuing the implementation of a digital identity under the guidance of the **World Economic Forum** and **World Bank**.

Yes, it's also happening here in the United States. Don't believe me? **U.S. Senate Bill S884 Improving Digital Identity Act of 2023** references guidance from the **World Economic Forum** and **World Bank**:

Upgrading identity verification technologies and providing individuals with the choice to adopt innovative digital identity tools is critical to tackling these and related challenges.⁷ Government entities, as authoritative issuers of identity in the United States, are uniquely positioned to work with the private sector to facilitate this transition. Javelin then extrapolates population information from the U.S. Census Bureau, which then permits a best-effort estimation of identity fraud impact across the entire U.S. adult population. It is reasonable to see vast differences in the research findings of various agencies and companies." For example, the Federal Trade Commission's (FTC) Consumer Sentinel Network reported a little more than a million U.S. reports of identity theft in 2022.

licenses and create opportunities to improve convenience for citizens.⁹ The Transportation Security Administration now accepts mobile driver's licenses at select airport checkpoints.¹⁰ The private and public sectors are continuing to develop promising digital identity verification techniques.¹¹

The Task Force this legislation creates also accounts for risks associated with expanding digital identity usage. Risks for expanding digital ID use include potential accessibility concerns, privacy and security violations, and vendor or technology lock-in.¹² For example, the American Civil Liberties Union (ACLU) has highlighted challenges associated with implementing digital driver's licenses, like personal control over ID data, hacker susceptibility, and forced app installation. Among its duties, the bill requires the Task Force to consider potential exploitation of digital identity tools by malign actors, privacy concerns, and ways to improve access to foundational identity documents.¹³ Additionally, the bill specifies that the Task Force may not recommend the creation of a single identity credential provided or mandated by the federal government, a unilateral national identification registry, or a requirement forcing any individual to use digital identity verification for a public purpose.¹⁴ Accounting for these types of challenges and risks would allow federal, state, and local governments, and private entities to more successfully introduce digital IDs.

As high-value private transactions and critical government-citizen interactions move online, establishing digital identity standards is essential to ensuring this activity is secure, private, and efficient. A common set of guidelines can ensure mobile forms of identification, as well as digital identity verification processes, are interoperable from a technical perspective, safe from a cybersecurity perspective, and private and equitable from a civil liberties perspective.¹⁵ S. 884 establishes the Improving Digital Identity Task Force, an interagency and public-private partnership, which would develop recommendations on such matters to increase and improve usage of digital identity verification technologies. In addition, the Task Force would ensure that necessary oversight accompanies the deployment of these tools. Task Force recommendations

DEW, AI, & Rev 13

Space-Based Beam Weapon

In Revelation 13 there is [another beast](#) that assists the [first beast](#). This second beast has the capability to publicly demonstrate a system to project [pyr \(fire, lightning\)](#) from an [ouranos \(sky, space\)](#) platform.

Rev 13:13

He performs great signs, so that he even makes [fire](#) come down from [heaven](#) on the earth in the sight of men.

Among defense industries [around the globe](#), [particle-beam](#) and [laser](#) weapons platforms, generally known as [space-based Directed Energy Weapon \(DEW\)](#) systems, seem to be [the rage](#) these days.

Image not found or type unknown

Some [wonder if there is a connection](#) between these systems and the wildfire in Hawaii, but that might imply a global government holding reigns on military assets *and of course we assume that couldn't be true...*

Image not found or type unknown

Intelligence in an Icon

Additionally, the second beast will [didōmi](#) (furnish, artificially) a [pneuma](#) (spirit or rational intelligence) into an [eikōn](#) (image, icon) of the first beast. The word *image* is used in a similar way as we would say [disk image](#). It's also [the origin of our modern word icon](#). In modern terminology, you could say the second beast develops an Artificial Intelligence (AI) clone of the first beast. Maybe this is as simple as tapping an *icon* on your phone and opening an app to receive guidance from the virtual [AI assistant](#) provided by the world government.

Rev 13:15

He was granted power to [give breath](#) to the [image](#) of the beast, that the [image](#) of the beast should both speak and cause as many as would not worship the [image](#) of the beast to be killed.

[Recent leaps in development tools](#) make it [easier than ever](#) to [build AI algorithms](#) into everything. As a result, there has been an explosion of smartphone apps providing [AI assistants](#), [virtual influencers](#), [virtual girlfriends](#), and both [translation](#) and [corruption](#) of Biblical text. Some apps offer the supposed ability to ["talk" with historical figures](#). Internet personalities are creating [AI clones of themselves](#). The startup [delphi.ai](#) advertises itself as a cloning service. Facebook [is advertising](#)

creators that impersonate celebrities.

Image not found or type unknown

It sounds like nonsense -- a [personality clone](#), residing in a [system image](#), accessible through an icon -- if you don't live in today's world. I can imagine John, as he received this Revelation from the Lord Jesus about our present time, shaking his head at the insanity of it all.

Nothing New Under the Sun

The direction this is heading becomes clear, when AI is credited with the ability to [create religions](#), [write sermons](#), and [conduct services](#). Recently apps have become available that reach new depths of deception (I'm not going to link to it): attempting to create a virtual Jesus and satan, but clearly both originate from the latter.

It's being discovered that [interaction with AI is addictive](#). The appearance of an intelligent entity, where every person is able to have a one-on-one personal relationship with the entity, while the entity simultaneously learns from all of its "relationships", is the ultimate attempt to make a counterfeit god.

Those paying attention might also note that DEWs and AI are a repackaging of ancient mythological or occult concepts ([doctrines of demons](#)). The concept of fire or lightning striking down enemies and a personalized intelligent spirit or "spirit guide" are ancient ideas that reference [satan's fall like lightning](#) and the original deception that [you can be like god](#).

He's Coming Soon

Thankfully, we can rest in the knowledge of the [Blessed Hope](#) that Jesus will be returning soon! None of this takes the Lord by surprise. Knowing this was all foretold can help our faith and provide discernment, while we wait for His Return.

The 7-year [Pact for the Future](#) commits all nations under the U.N. to Agenda 2030.

Who is Volodymyr Zelensky? See this [page about the 4th Beast](#) and also [this page](#), but take it with a grain of salt!

According to a Russian Duma press release, Zelensky is about to [about to present his "peace formula" to the UN within the framework of the General Assembly](#).

In January, the [WEF introduced Zelensky's Peace Formula](#).

In August, a [Peace Summit](#) was held in Saudi Arabia with representatives from 40 nations.

Three days before the SDG Summit, another [Peace Summit was held in Kyiv](#) with representatives from 70 nations.

This same [Peace Formula](#) was adopted by the U.N. General Assembly back in February. Many nations, including [India](#), [United States](#), [Saudi Arabia](#), [Japan](#), [Germany](#), [Norway](#), [Sweden](#), and [Israel](#) will be meeting with Zelensky or have issued statements that they will be joining in the implementation of President **Zelensky's Peace Formula**.

"Zelensky said that the third phase will be the organization of a **Global Peace Summit in the Autumn**" and "the time **between September and December** will be an important period of decision-making for Ukraine, Europe, and **the world**."

Something major may be about to take place.

This is against the backdrop of **Magog Invasion** nations coming together and the approach of exactly 2000 - 7 years since **Jesus Messiah** died and rose again for our sins.

Are you ready to meet Him in the clouds?

What does Zelensky expect from Israel? Tells Netanyahu: A lot

Netanyahu's expressions in handshakes today with Zelensky vs. Biden say "a lot".

Nothing About Hawaiian Wildfire Makes Sense

Image not found or type unknown

"Most roads make excellent firebreaks because they are bare ground and already in place."

(Oklahoma State University, [Firebreaks for Prescribed Burning](#))

There doesn't appear to be a natural explanation for the the fire in Lahaina, Hawaii. Normal wild-land fires do not selectively remove buildings.

Was a directed energy system involved? Was this horrendous devastation premeditated? Why Hawaii, of all places?

Update 16 August:

Why are so many other islands experiencing fires?

Island of Rhodes (23 July)

Brunot Island (25 July)

Tenerife Island (16 August)

Update 22 August:

Another interesting image shows a building which appears to have burned from the inside, leaving external walls intact:

Elections Systems Utilize Spec Government Network

Image not found or type unknown

Election-night media receive real-time counting, but the total count is slower than it was a decade ago?

Biden didn't get 81 million votes.

Anyone with a background has heard about these kinds of government networks, so the pieces start to fall into place.

Israel to Provide Offensive Weapons to NATO

Image not found or type unknown

It would appear Israel is finally giving in to NATO and allowing *offensive* weapons to be utilized on the Russian border. Until now, Israel has attempted to sit on the fence between NATO and Russia and offer only defensive weaponry to be used against Russia.

This may be part of the "hooks" drawing Magog into leading a coalition against Israel.

IgG4 Antibodies Triggered by COVID Vax

Image not found or type unknown

Some things may have been set in motion that no one realized. Just when we thought carnage from the vax was starting to ramp down, it appears the vax could have been a "malicious patch" to install a permanent "backdoor" for *future* viral "software exploits".

Jared Kushner

Who's Jared really? It's suspicious that he would leave his building number prominently displayed on the Kushner Holdings [careers page](#):

Why isn't anyone questioning this?

Suddenly news outlets and twitter profiles are regurgitating the same accusation that the Carlee Russell abduction is a hoax. This wouldn't be so suspicious if it weren't so unanimous.

Who is this police chief trying to impress with his purple jacket? Why would he reveal so many privacy-violating and likely HIPAA-protected details? Usually when something is a hoax (a common occurrence), police do not typically feel obligated to "prove" their conclusions to the press through vague and questionable revelations.

The terrible and horrific implication is complicity. Someone is covering for someone. Thank the Lord that Carlee was able to get free from whatever evil she encountered.
