

Global Stocktake

COP28

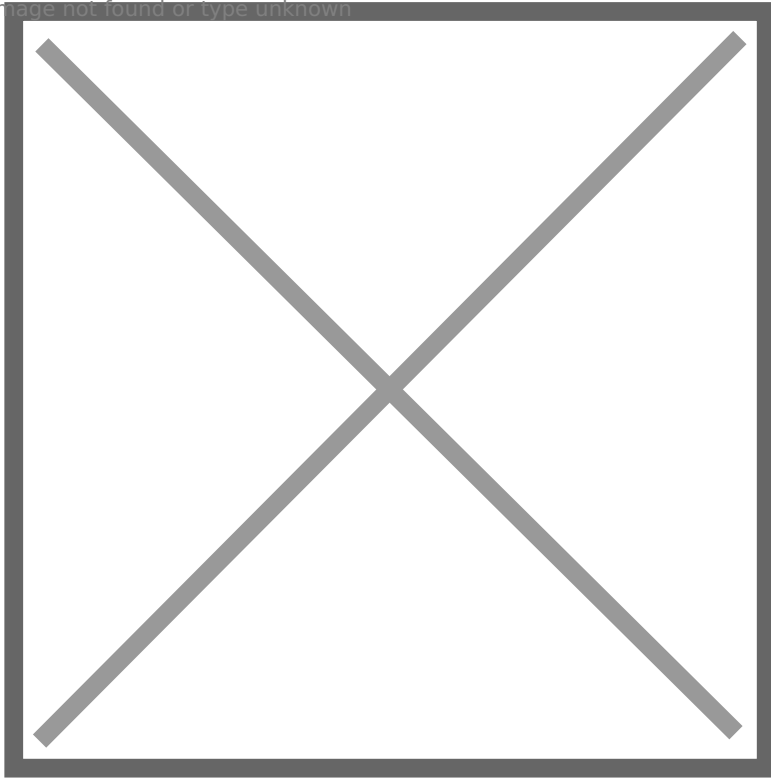

...people and communities who **will be** most affected by **this transition** . . . As most of government ministers and world leaders have wrapped up their events, **a sense of urgency** is building...

Whatever is adopted has to be agreed on by **consensus** so it has to be near **unanimous**.

What makes this COP **unique** as compared to the previous COPs? First and foremost, it's the **Global Stocktake**

One World Religion

Image not found or type unknown

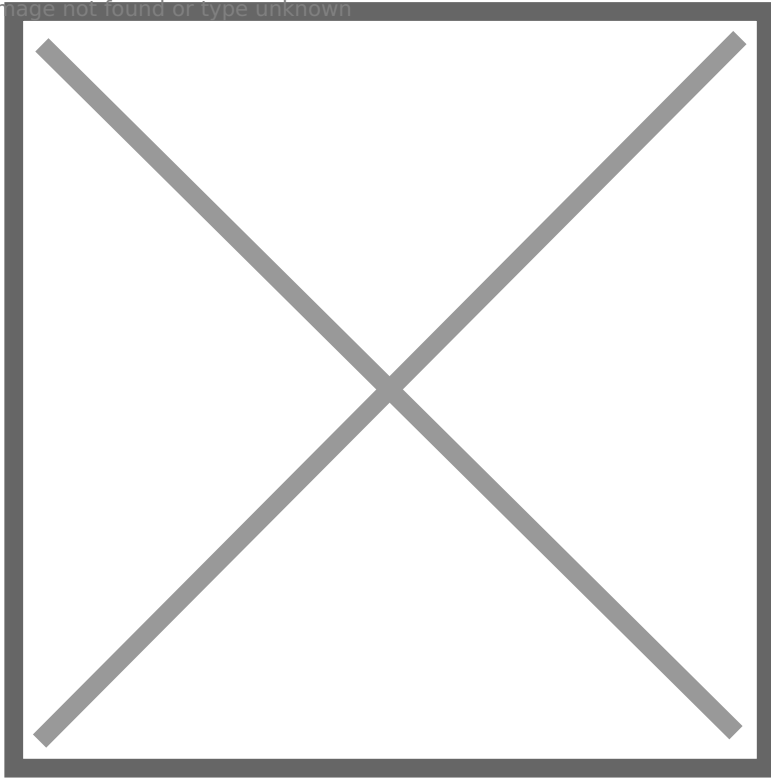

...**all the world's religions** have sent representatives to be part of what's called the "**faith pavilion**", the first-ever interreligious pavilion at a UN climate change conference.

The **first-ever Faith Pavilion** at a United Nations climate change conference was inaugurated on December 3 in Dubai. High-profile figures such as Pope Francis and the grand imam of Al Azhar, Egypt, addressed the world via video messages, simultaneously urging peace and preserving a livable climate.

...the **first time** that a **religious pavilion** has been set up within a UN climate change conference.

Global Technology Summit

I think you all probably thought that DPI was digital public infrastructure, but **now it's digital public intelligence**, so we have re-christened it today, *so welcome to the christening*

Speaker list includes NASA Administrator Bill Nelson

MOSIP is a Gates Foundation-funded platform that “**helps governments** and other user organizations implement a digital, foundational identity system.” . . . **collaboration** between the Bill and Melinda **Gates** Foundation, the **United Nations** Development Program, the Digital Public Goods Alliance, the Center for Digital Public Infrastructure, and Co-Develop; with support from GovStack, the Inter-American Development Bank, and **UNICEF**

The **trust** that **countries** have **placed in MOSIP** has been pivotal to its success. It is a source of great pride that **country governments** have chosen to trust...

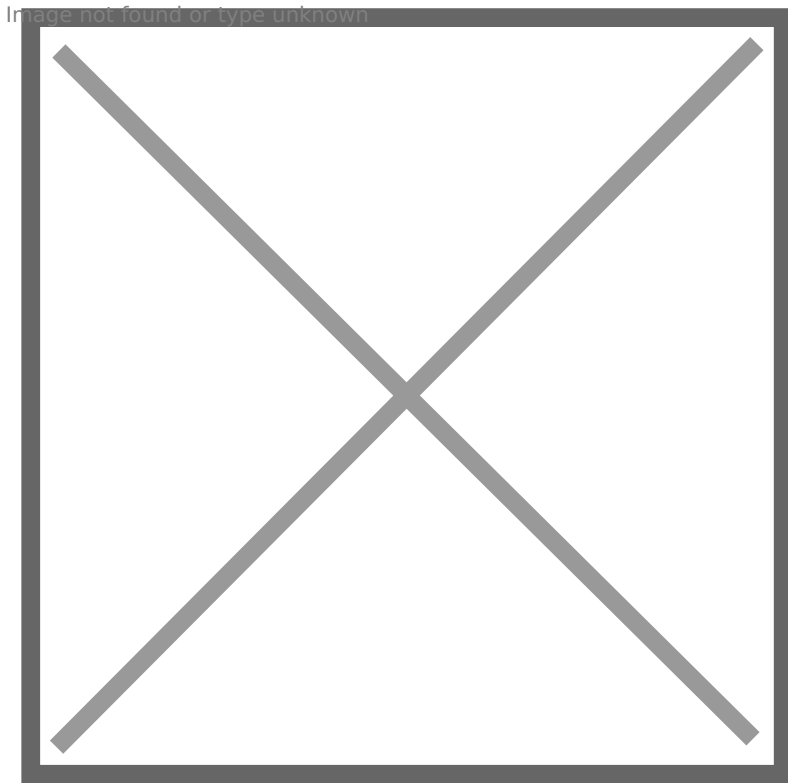

A computer program that could provide digital identification for the **entire world population** is expected to be used by 1 billion people within 18 months

...our **biggest excitement** is our work on our **government's super app**. It's modeled after the very successful Ukrainian Diia app...

Here in the U.S., there's a different **everything-app** connected to the **global identity** system...

What are the **tools of the New World**? Everybody should have a digital ID; everybody should have a bank account; everybody should have a smartphone. Then, anything can be done. Everything else is built on that.

Ros/Magog *vis-a-vis* Sheba & Dedan

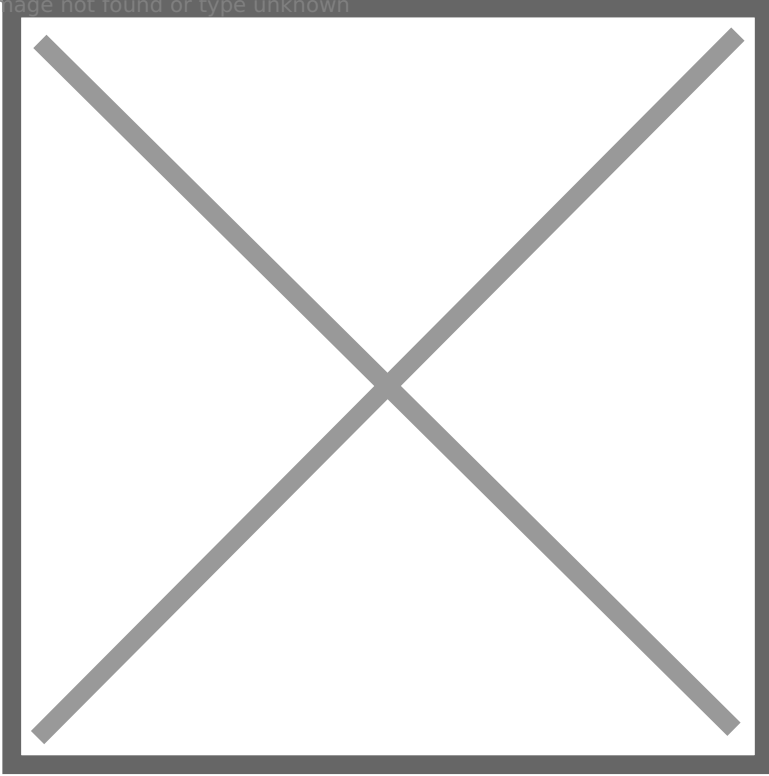

Putin has begun a trip to **Saudi Arabia** and the **United Arab Emirates** . . . now hosting the United Nations' **Cop28** climate talks. It marked his first trip to the region since before the coronavirus pandemic...

"The **UAE** is **Russia's** main trading partner in the Arab world." "Nothing can prevent the development of our friendly relations," Putin added. Putin's visit to the Middle East is rare.

As the **COP28** climate talks in Dubai reached their scheduled halfway point on Wednesday, the **Russian leader** landed discreetly just 150 kilometers away . . . First up, Putin's **Emirati counterpart**, Sheikh Mohamed bin Zayed Al Nahyan. Then, it was over to Riyadh to see **Saudi Arabia's** crown prince, Mohammed bin Salman.

...such an **abrupt cancellation** of the address, which was presumably agreed upon beforehand, is seen as surprising, worrying, and unclear...

...met virtually with **leaders from the Group of Seven** leading industrialized nations

G7 . . . show of solidarity

Crimean **televisions were hacked** . . . **mocking** Russian President...

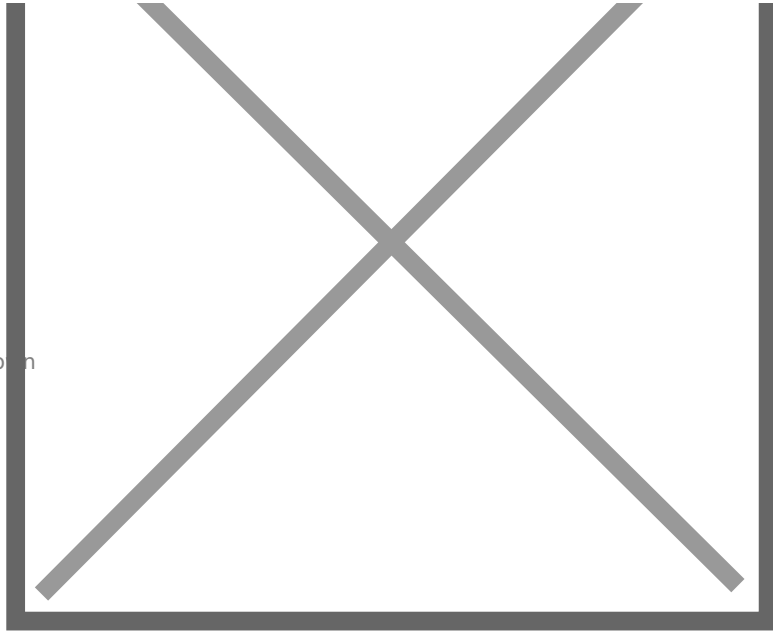

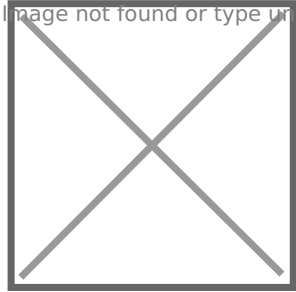

...undercover assets deep inside Russia...

...Hosts Chabad Rabbis...

...attend inauguration of . . . Milei

Most important Hanukkah **of our lifetime**

Image not found or type unknown

Update: The march took place as planned

This is not just another march, not just another protest! Kick out the [Jordanian Islamic] Waqf and restore full Jewish control over the Temple Mount!

Temple Mount activists plan to conduct a march through the Old City of Jerusalem on Thursday, with organizers saying the march aims to call for the removal of the Waqf from the Temple Mount . . . rejected claims that the march would cause tensions to flare . . . They don't need an excuse to massacre us. They want to massacre us every day.

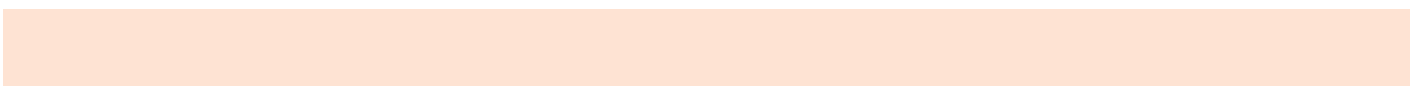

For most of us, this is the most important Hanukkah of our lifetime

...being billed as the Maccabee March, a nod to a revolt by a small Jewish sect in ancient Judea that culminated in the rededication of the Temple . . . Prime Minister Benjamin Netanyahu referred to the Maccabees in a speech Tuesday night...

Thirsty and Hungry for **Torah**

Time is short

Are you ready? Jesus is coming back very soon. Don't delay in admitting to God your sin and your inability to get to Heaven on your own. Receive His sacrifice on the cross to cover your sin!

Salvation ABCs

Or, have followers of Jesus been taken, and you've been left behind?
